Places in after-school care for the kindergarten and primary classes can be reserved in the following ways:

1. Irregular BY TERM (full price) - book and pay before the start of each term for the whole term, but for **as many or few units per week as you wish**. Cost €6.60 per unit.

If you enrol at the discounted yearly rate, payment for the full year must be made in advance

4. Occasional – book **before 11.00 am** on the day. Cost €8.80 per unit.

Please see below for charges for children left in after-school care without pre-booking.

Totals due are calculated by multiplying the number of units reserved by the rate per unit. Only complete units can be reserved. You will find a calculator for after-school care costs on the 'Primary after-school care/After-school care rates' page of the website.

All enrolment forms must be returned by Wednesday 22nd June 2016 in order to be processed. Please be sure to indicate on your form the period for which you are booking (school year or term). Please also remember to indicate if your request for after-school care is dependent on your child's being accepted for an activity on the day in question.

Please note that when you reserve a place for your child in after-school care the school enters into financial commitments to put the resources in place to provide this service to you for the full period reserved. **Should your child not attend after-school care or leave the school during the academic year, you will not be reimbursed for the unused periods.**
